Milano builds intelligently engineered kitchens with excellent design and for every taste. For many people, Milano kitchens reflect their attitude towards life. Our focus is always on: Quality. In the planning department. In the production department. In the processing and customer service departments.

At Milano our goal is to provide every customer with exactly the kitchen they want. As unique as the people living in them

MILANO: we're going all the way!

Giving a home new furnishings is incredibly exciting. Not only because it needs to be Perfect. Buying furniture is also full of new possibilities and anticipation. Planning a Kitchen, for instance, means much more than just putting together cabinets and Appliances. It's that feeling of gladness to get back home again. It whets the appetite To cook great food. It promises relaxation and joyful moments with family and friends.

MILANO: We are now going all the way and invite you to join us!

Lacquered glass kitchen design has become a popular trend in the modern world. This style involves the use of sleek, polished glass surfaces that are finished with a layer of glossy lacquer. The result is a kitchen that is both stylish and functional, with a contemporary look that is perfect for today's busy homes.

LACQUERED GLASS

A classical lacquered paint kitchen is a stunning addition to any home. It combines traditional design elements with modern technology to create a timeless and elegant look that is both functional and beautiful.

LACQUERED PAINT

A Techno Matt kitchen is a contemporary and stylish addition to any modern home. It combines cutting-edge design with the latest technology to create a kitchen that is both functional and beautiful.

TECHNO MATT

Acrrylic kitchen are a modern and stylish option for homeowners who want to add a sleek and sophisticated look to their homes. They are made from high-quality materials that are durable, easy to clean, and have a shiny finish that is both attractive and practical.

ACRYLIC

You can add finesse to your kitchen easily with a membrane finish. For starters, membrane is highly moldable. So, in comparison to acrylic or laminate, it can be fused to a surface that isn't smooth.

MEMBRANE

Laminate is a popular material choice for kitchen countertops and cabinets. It's a versatile and durable material that can be customized to fit any design aesthetic.

LAMINATE

MILANO: WARDROBES

Modular wardrobes – A new way
to express your style.

A wardrobe is an essential piece of furniture that can help you keep your clothing organized and easily accessible. It can be a simple cabinet or a large walk-in closet, but regardless of its size, a wardrobe can have a significant impact on your daily life.

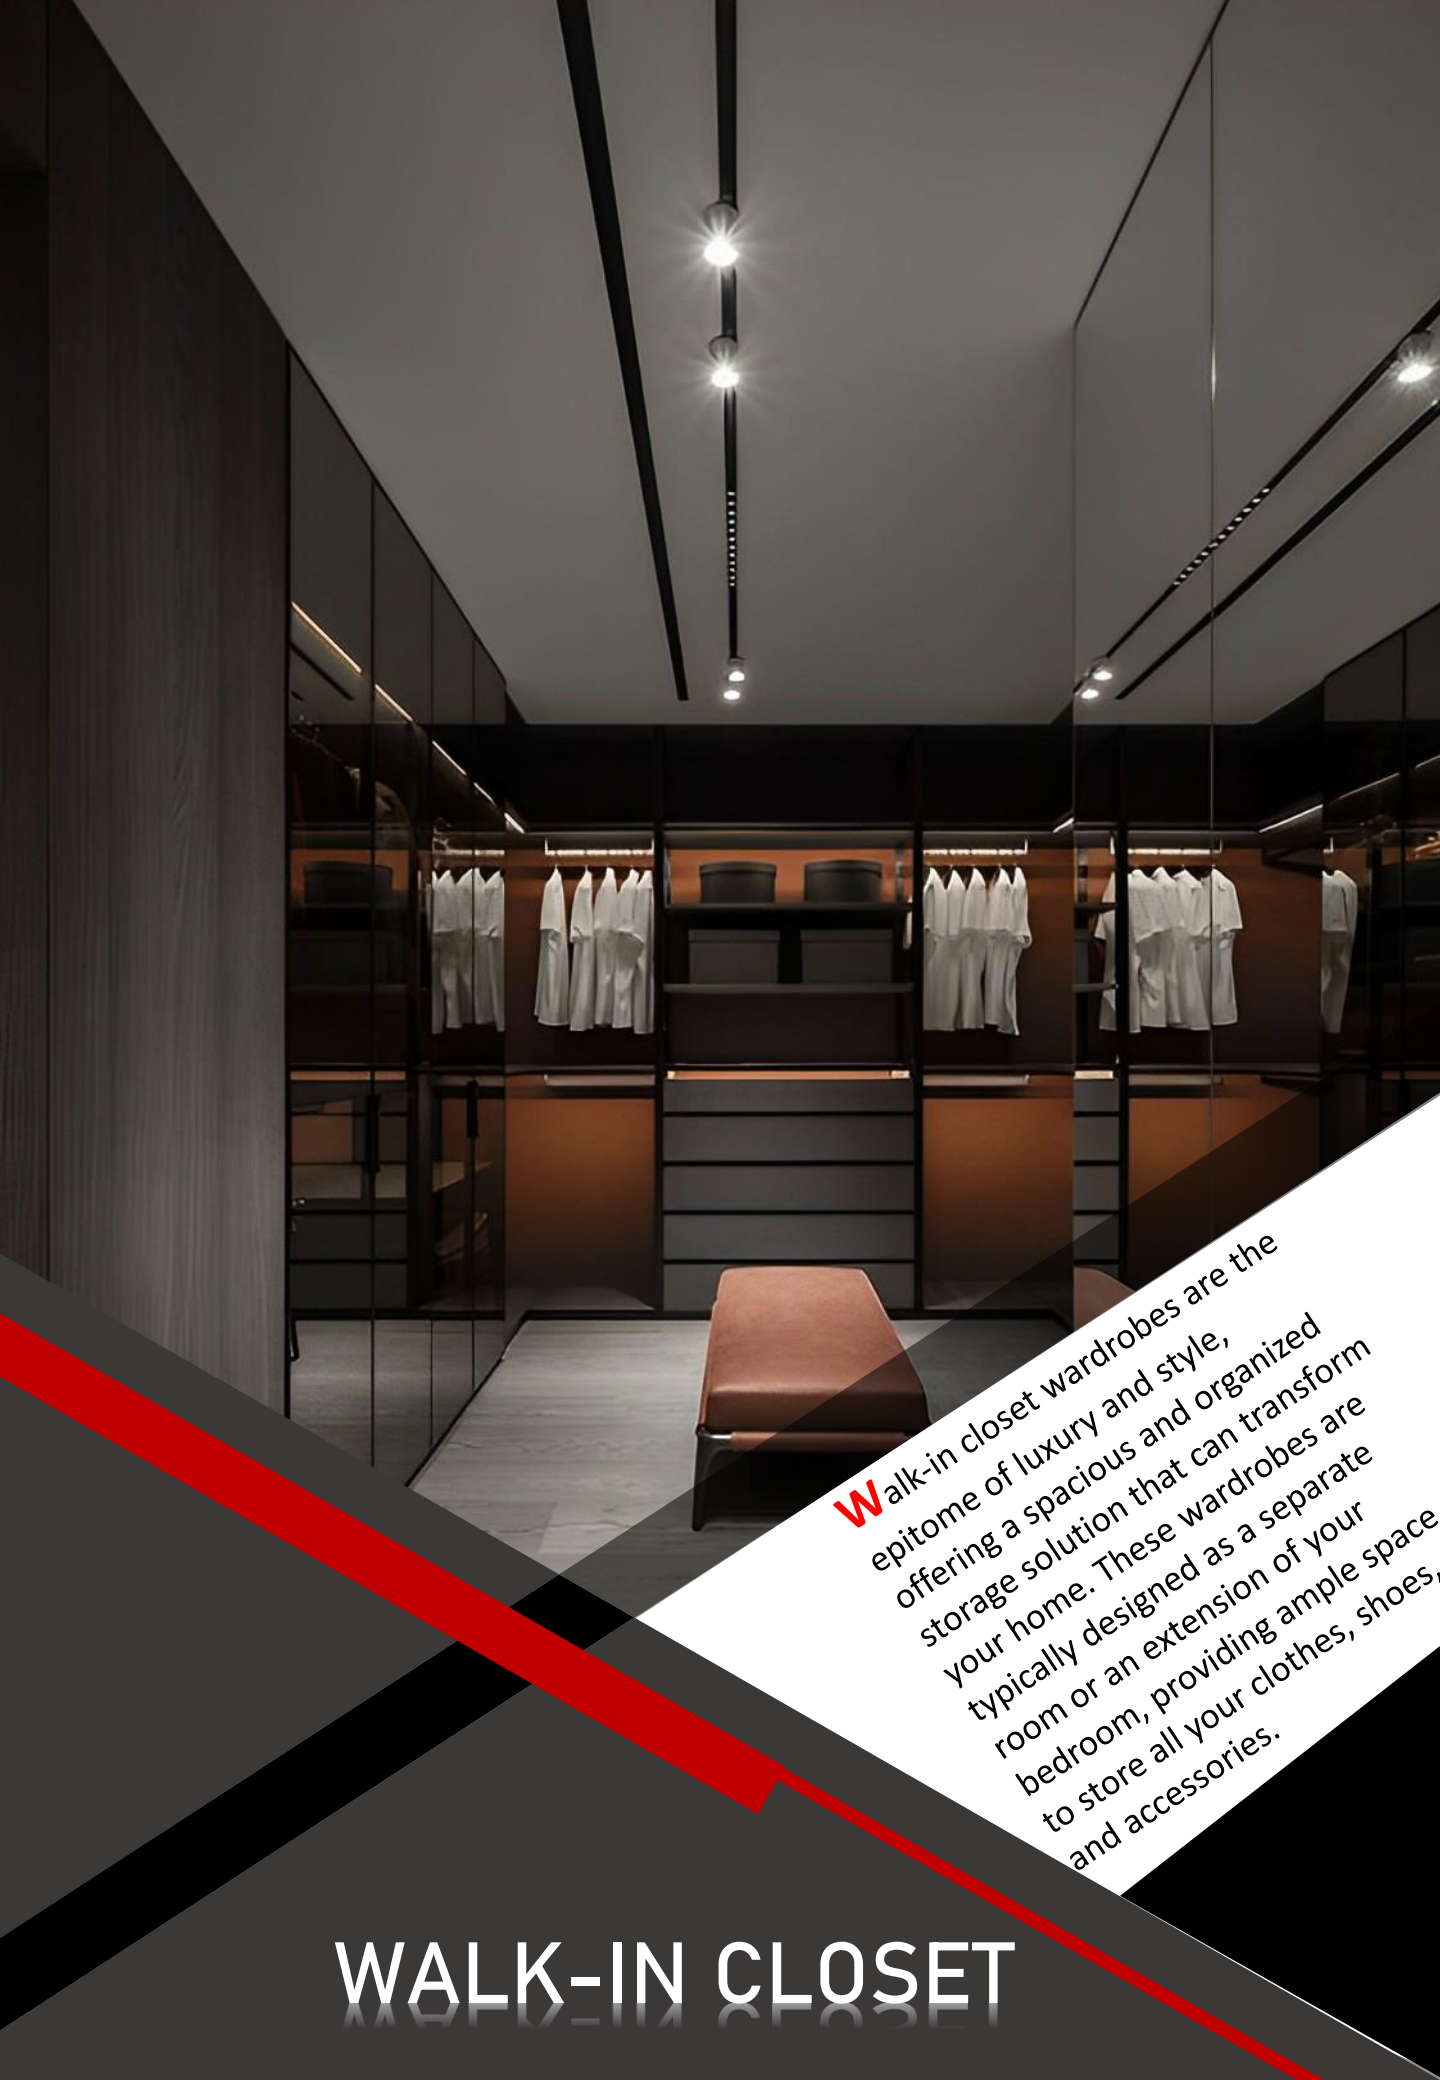

Slider door wardrobes are a great addition to any home, offering a stylish and practical solution for storing clothes and accessories. They are a perfect space-saving solution for smaller homes and can be customized to fit any design style.

SLIDER DOOR

Hinged door wardrobes are a classic and versatile storage solution that has been a popular choice for homes for many years. They are a great option for those who prefer a traditional style and are looking for a wardrobe that can blend seamlessly into their existing decor.

HINGED DOOR

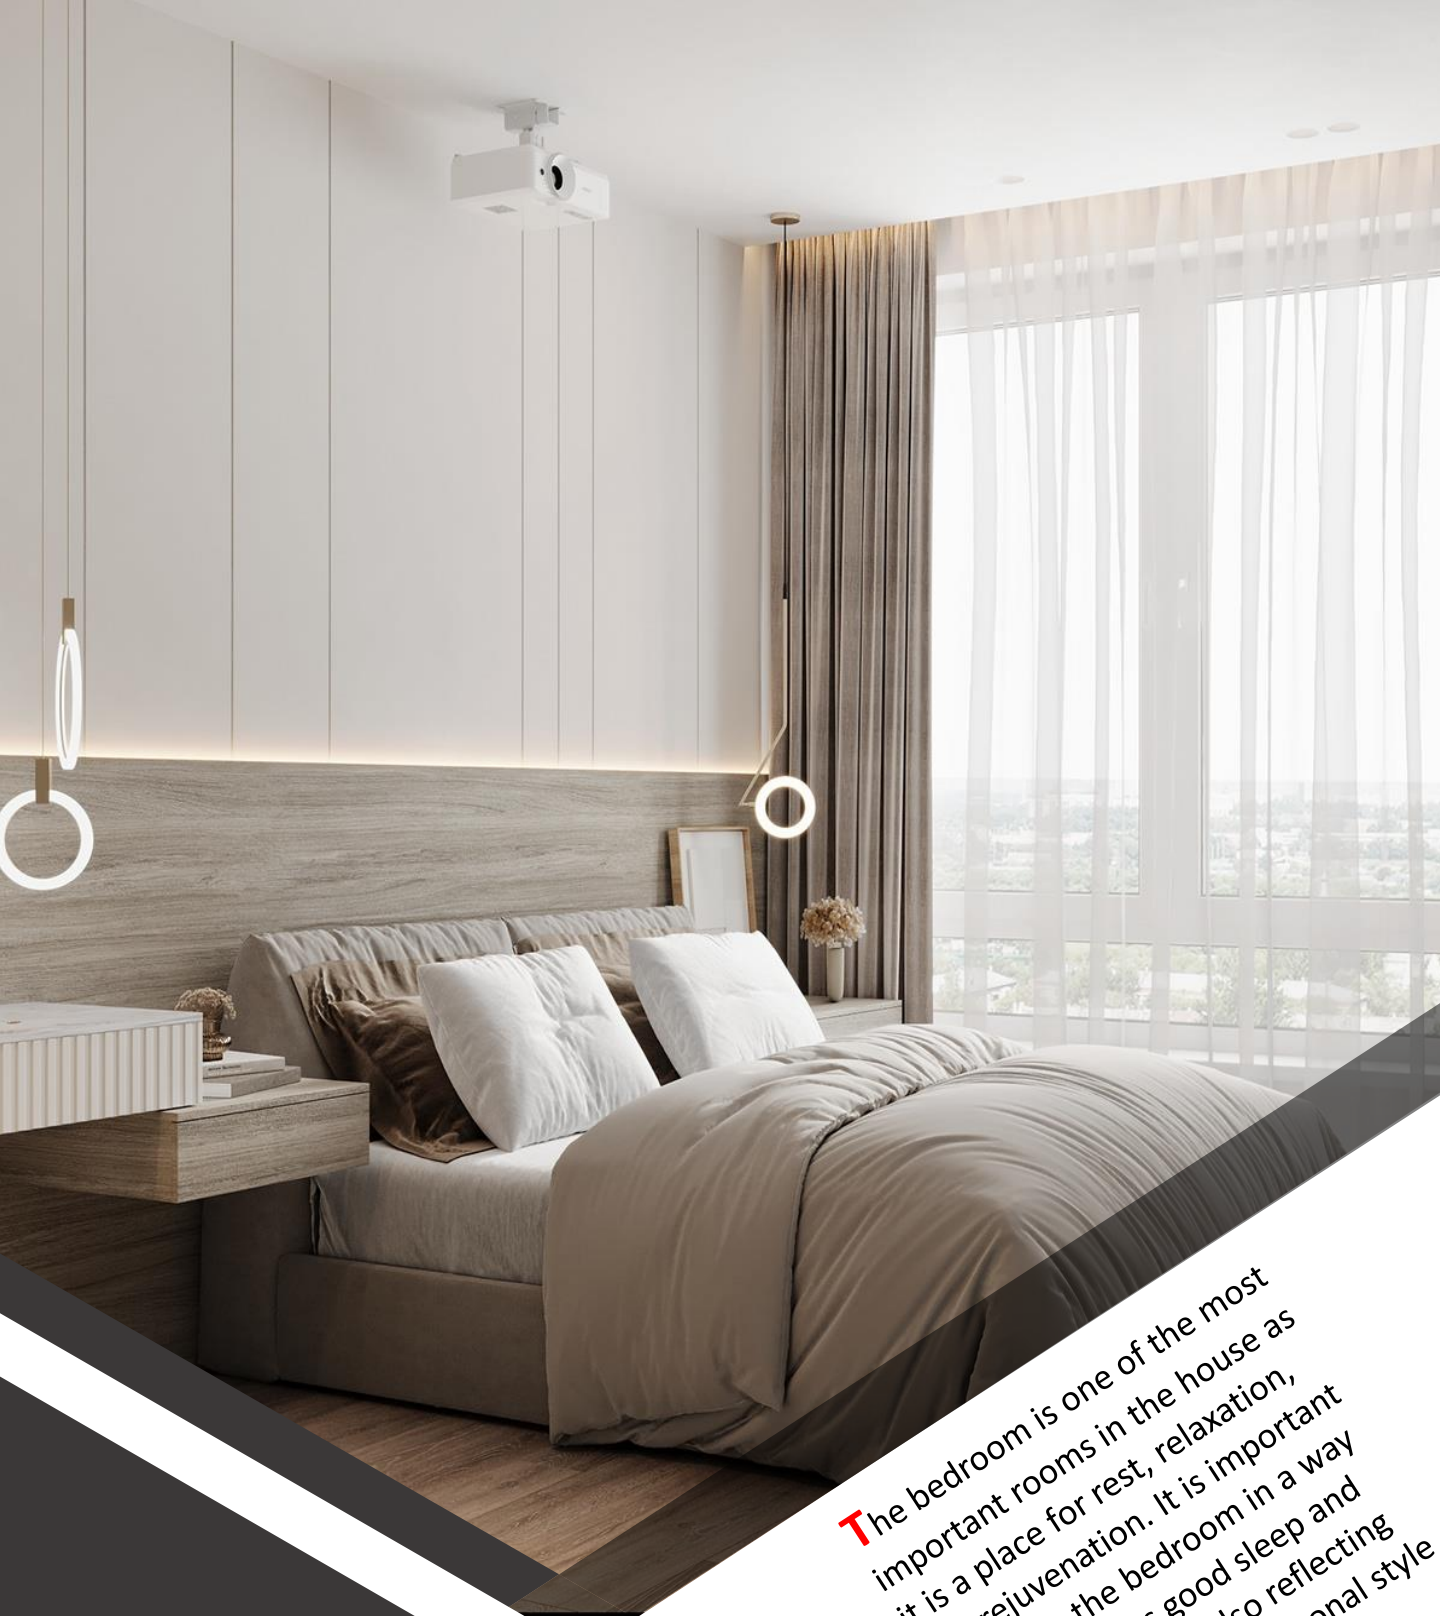

Walk-in closet wardrobes are the epitome of luxury and style, offering a spacious and organized storage solution that can transform your home. These wardrobes are typically designed as a separate room or an extension of your bedroom, providing ample space to store all your clothes, shoes, and accessories.

WALK-IN CLOSET
